Information Access

Advanced Data Analytics

Good Practices
**Policies & Regulations**
- AFDC Database + Atlas supplement
- Electric utility filings on transportation

**EV Market**
- EV sales and vehicle registration data (where possible)
- EV charging deployment

**Research & Media**
- Reports and other resources
- Media pulse

**Emissions**
- NOx
- GHG (coming soon)

**Demographics**
- Households
- Income & Employment
- Commuting

**Other Features**
- EV Directory (600+ contacts)
- Events Calendar
- News Alerts and Weekly Digest

- EValuate (state-based analysis tool)
- Business model analysis tool for EV charging
- Fleet procurement analysis tool
